Sri Lanka's Annual Open Air Art Fair

Kala Pola 2025 marks the 32nd edition of Sri Lanka's popular open-air art fair. Conceptualized and presented by The George Keyt Foundation in 1993, and sponsored and co-presented by the John Keells Group with uninterrupted patronage since 1994, 'Kala Pola' has evolved into a must-visit event in Colombo's art calendar. This uncurated event hosts a wide array of painters, sculptors, portrait artists, and cartoonists of all levels, offering them the opportunity to showcase their work, connect with art enthusiasts, learn from and network with other artists, and expand their clientele.

While 'Kala Pola' drew inspiration from the open-air summer art fairs in European capitals, such as the legendary Montmartre in Paris, its deep-rooted rationale goes beyond the mere search for fascinating colour, exuberance, and camaraderie. 'Kala Pola' has evolved into a key platform within Sri Lanka's creative economy for artists and sculptors to launch and develop their careers, build a steady clientele, and create a viable source of income. It also facilitates the exchange of ideas among artists for collective growth in style and genre, and helps to enhance their network of clientele. Over the years, it has become a reputable means of popularizing the appreciation and patronage of visual art by the general public.

In recent years, each 'Kala Pola' street fair has featured over 370 artists and sculptors from various parts of Sri Lanka, marketing their creations to an increasing and appreciative Sri Lankan, expatriate, and foreign clientele in a fun-filled atmosphere of music and camaraderie. Many artists with roots in 'Kala Pola' have gone on to become successful professionals, with some launching careers both within and outside Sri Lanka.

The George Keyt Foundation and the John Keells Group are proud to present Kala Pola 2025 on Sunday, 16th February 2025, at Ananda Coomaraswamy Mawatha (Green Path), Colombo 07.

George Keyt Foundation

The George Keyt Foundation (GKF), formed in 1988 by a group of friends of George Keyt (1901 – 1993), Sri Lanka's most distinguished modern painter, is dedicated to providing opportunities for the development of art and artists, promoting art, and assisting Sri Lankan artists including painters, sculptors, musicians and writers, and to establish a gallery of Modern Sri Lanka Art. Since its inception, GKF has been a major promoter of the arts in Sri Lanka for over 30 years, regularly presenting four major exhibitions in Colombo, namely:

- Nawa Kalakaruwo – A presentation of fresh art from new and emerging artists
- Young Contemporaries – A show of emerging artists under 40, curated by academics and senior artists
- Sri Lankan Art – A curated presentation of new art by senior Sri Lankan artists
- Kala Pola – An open-air art fair that is uncurated and attracts hundreds of artists from all parts of the island

The George Keyt Foundation has also organized international artist camps, periodic exhibitions on Sri Lankan and SAARC artists, art auctions, restoration of the Gothami Vihara murals, and the publication of several books on George Keyt.

John Keells Group

John Keells Holdings PLC (JKH) is Sri Lanka's largest conglomerate, listed on the Colombo Stock Exchange, with a 150-year heritage in the country. Through innovation and strategic partnerships, the John Keells Group has become an integral part of the Sri Lankan economy and a benchmark in many key industry verticals.

JKH is a full member of the World Economic Forum and a participant in the United Nations-sponsored international corporate citizenship initiative, the Global Compact. It has been consistently ranked as Sri Lanka's Most Respected Entity and the country's most transparent company, due to its robust governance framework and sustained commitments to corporate social responsibility, environmental sustainability, and Diversity, Equity, and Inclusion.

John Keells Foundation

John Keells Foundation (JKF) is the Corporate Social Responsibility (CSR) entity of the John Keells Group. As one of the first dedicated CSR entities in Sri Lanka, JKF has, since its establishment in 2005, been responsible for planning and implementing strategic CSR initiatives across identified focus areas, which in 2024 were reclassified as: Education, Community & Livelihoods, Social Health & Cohesion, and Biodiversity. These initiatives align with national priorities, the Sustainable Development Goals, and the Principles of the United Nations Global Compact, all with the Group's CSR vision of "Empowering the Nation for Tomorrow."

Over the years, JKF has sponsored and provided strategic support to various arts and culture projects, including 'Kala Pola', as part of its roadmap to nurture the livelihoods of artists and preserve cultural heritage, while promoting Sri Lanka's creative economy and enhancing opportunities for social cohesion and well-being through artistic and creative expression.

Complementing 'Kala Pola' is the Sri Lankan Art Gallery (<https://www.srilankanartgallery.com/>) - an online platform hosted by JKF, offering Sri Lankan visual artists the opportunity to showcase their works year-round, free of charge. During the COVID-19 pandemic, the platform significantly expanded its impact by hosting 'Kala Pola' Online editions, sustaining the livelihoods of artists by opening markets both within and outside Sri Lanka.
